## Overview

If you have got only **4 days (4D/3N)** to visit Leh-Ladakh, let's be clear, this is short and you won't have time to see all. But don't worry, we are going to tell you how you can make the most of your trip!

Start your trip with the **Sham region** (western Ladakh), because this part of Ladakh is at lower altitude and it is good to travel there during acclimatization. You can do a short day trip up to **Sangam** (as in [itinerary #1](#) and [itinerary #2](#)) or you could explore the Sham region further over 2 days by driving all the way up to **Kargil** and spend a night there (as in [itinerary #3](#)). With [itinerary #1](#), you visit the **monasteries of the Indus valley** (Hemis, Thiksey, Shey, etc.) on the second day.

Then, choose between a tour to **Nubra valley** (as in [itinerary #2](#)) and a tour to **Pangong lake** (as in [itinerary #1](#) and [itinerary #3](#)). Unfortunately, you won't have time to cover both Nubra valley and Pangong lake during this 4-day trip. If you really want to see both, you need to extend your trip to 5 days.

each tour, click on the **BOOK** button and you will be redirected to the booking form.
